Parenting

There's no one right way to raise a child, and you don't have to be perfect. These programs are here to help you learn effective ways to support your child's healthy development and learning.

Home Visiting Programs

Work 1-on-1 with a trained and caring parent educator, in the convenience of your own home, to build on the parenting skills you already have and nurture your child's health, development and learning.

Child Health and Development

All children develop differently, but it helps to know if they're meeting typical milestones or could use extra assistance, and many medical and dental problems can be prevented.

Well-Child Programs

Get information, assistance and referrals from a developmental specialist to help you support the health and development of your young child.

Quality Child Care and Preschool

Quality early learning programs help young children learn, grow and thrive. More than 1,000 child care centers, homes and preschool programs in Arizona participate in Quality First to improve the quality of early learning for kids from birth to age 5. Many offer Quality First Scholarships to help low-income families afford quality early care and education.
