Parenting

There's no one right way to raise a child, and you don't have to be perfect. These programs are here to help you learn effective ways to support your child's healthy development and learning.

Home Visiting Programs

Work 1-on-1 with a trained and caring parent educator, in the convenience of your own home, to build on the parenting skills you already have and nurture your child's health, development and learning.

Quality Child Care and Preschool

Quality early learning programs help young children learn, grow and thrive. More than 1,000 child care centers, homes and preschool programs in Arizona participate in Quality First to improve the quality of early learning for kids from birth to age 5. Many offer Quality First Scholarships to help low-income families afford quality early care and education.

Transition to Kindergarten

Introducing your child to what they'll experience in a kindergarten classroom can reduce their stress — and yours — and help them be ready to succeed in school.
